FOREWORD

A PSALM OF LIFE
Henry Wadsworth Longfellow

Tell me not, in mournful numbers,
Life is but an empty dream!--
For the soul is dead that slumbers,
And things are not what they seem.

Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each to-morrow
Finds us farther than to-day.

Art is long, and Time is fleeting,
And our hearts, though stout and brave,
Still, like muffled drums, are beating
Funeral marches to the grave.

In the world's broad field of battle,
In the bivouac of Life,
Be not like dumb, driven cattle!
Be a hero in the strife!

Trust no Future, howe'er pleasant!
Let the dead Past bury its dead!
Act,--act in the living Present!
Heart within, and God o'erhead!

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;

Footprints, that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

ALMA MATER

A song, a song of glad-ness, A song of praise and cheer,

We sing with hearts re-joic-ing To our Al-ma Ma-ter dear.

With hearts so true and loy-a', — Our high-est trib-utes bring;

To you we'll e'er be faith-ful, To you we'll al-ways sing.

CHORUS

Al-ma Ma-ter, — we love thee; Our hearts are sin-cere and true.

Al-ma Ma-ter, — we love thee — With a love, a love that is ev-er new.

Your i-deals that we cher-ish, In-spire us to heights un-known, —

Al-ma Ma-ter, we love thee, We go on and on and on.

DEDICATION

Many things have meant much to us during our high school days. Among these is the thoughtfulness and helpfulness of one of our teachers. To us, the students, she has been a faithful friend, advisor, and one to whom we could always turn for guidance.

She began teaching at Burgaw in 1946. Since then, as math teacher, she has opened the doors into a fascinating world of numbers, figures, and shapes to every student who has graduated from the Burgaw School.

As a Senior home room teacher she has constantly helped and encouraged us in the various phases of Senior activities.

Not only the Seniors, but the entire student body, have been influenced by her unselfishness, thoughtfulness and willingness to help.

As advisor to the Future Teachers of America Club, she has given assistance, constantly reassured us of our purpose, and occasionally, reminded us to keep order.

Her active work on the BEACON staff has given us a school paper that we are very proud of. Among other things, she has been heard urging the members of the staff to "get those write-ups in on the deadlines".

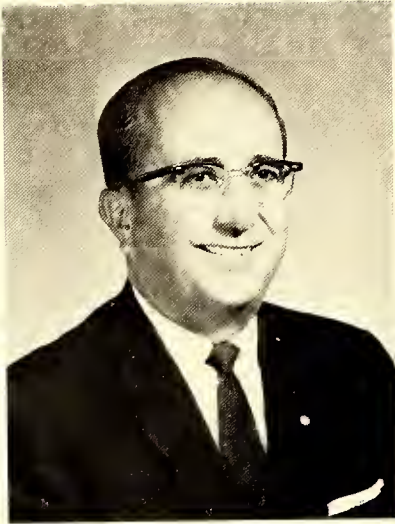

Because of these and many other reasons, we therefore dedicate the 1961 WAGRUB to

STUDENT LIFE

From early morning when the flag is raised until the afternoon when it is taken down, Burgaw School is a busy hive of action, with each student doing his share to make life different and interesting.

The Honorable Graham Barden, our representative in Washington, presented the school with a new fifty-star flag this year and a special presentation and flag raising ceremony was held.

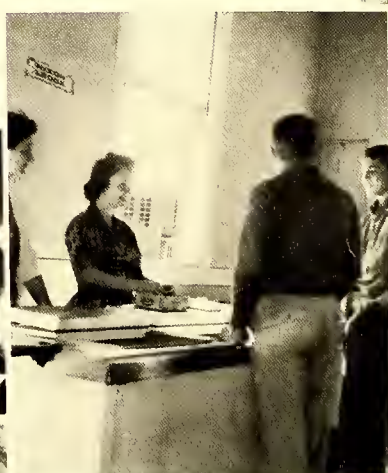

Everyone's goal all through high school is to receive a diploma. When the Seniors had their first experience trying on their gowns, they realized how close they were to reaching this goal. The Juniors looked with envy at the Senior class rings, but they know that their turn is coming soon.

Study halls, those quiet work centers (!), provide an opportunity for catching up on last minute work before going to class. The library provides many good books to read, research books, and magazines and periodicals for relaxing moments.

A very important room in our school is the lunchroom. Around fourth period (and even before) thoughts stray from Physics to food, and from icosahedrons to ice cream.

The section of the front wall traditionally reserved for couples is usually well occupied, if not at times crowded. Like they say, "In the spring a young man's fancy turns to"

STUDENT LIFE

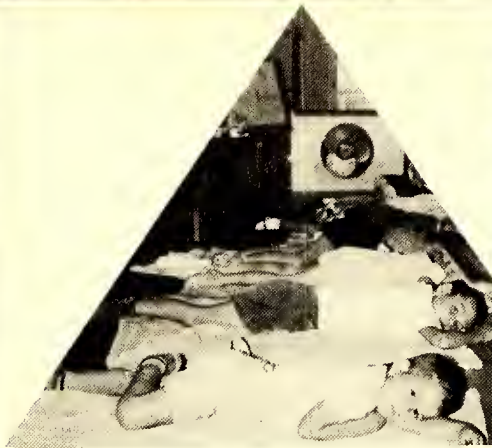

Several clubs have initiation programs each year. The Beta Club initiation and the F.H.A. initiation provide added amusements and also let us see our classmates in a completely new light!

Another annual event is the day that all geometry students design their Easter hats. With everyone in his finery, geometry suddenly becomes fun!

Fashions play an important part in school life. This year's biggest fashion news was circle pins and London fog jackets. But just so we'd really know what was "chick," the F.H.A. girls gave a fashion show featuring slip-over-sweaters, boat necks, car coats, balloon dresses, an afternoon tea dress, and many more.

During Easter weekend both the Senior and Junior classes went to Washington. To raise money for the trip they had many money making schemes and fund raising drives. Among these were rumage sales, bake sales, bar-b-que suppers, a womanless wedding, candy sales, a New Year's Eve party, and others. Washington will never be the same again!

STUDENT LIFE

The elementary grades have their share of experiences too. We in high school aren't as fortunate as to have a rest period in the afternoons like these first graders.

On picture taking day big sisters are in complete command of the situation. Acting under last minute instructions from Mother, she straightens her little sister's hair for that big moment when the photographer would snap her picture.

Each room in school is on a cleanup detail at least one week of the year. Usually, with everyone doing his share it doesn't take long. Anyway, just think! we missed 15 minutes of class time!

Sports play a big part in school life at Burgaw. Four of our football boys ended up in the hospital--three of them at the same time! The three sports . . . football, basketball, and baseball . . . provide an extra curricular activity for the athletic, and entertainment for spectators.

Everyone is always glad to get news of a party. The New Year's Eve dance, sponsored by the Juniors, was especially successful. Other parties during the year were held after football games and in classrooms on special occasions. Of course, the highlight of the year is always the Junior-Senior Banquet and Prom. This year was no exception and everyone "had a BALL!"

Life at Burgaw School is usually busy, varied, and interesting, as you can see from these small glimpses of our activities.

THE CLIMAX - GRADUATION

CLASS HISTORY

The year 1957-58 was a beginning for us. We were Freshmen starting the long hike to the top. As we look back now it wasn't such a long hike after all. It seems as if the years have flown by. There were eighty-six of us then. Our class officers were Twylah Smith, Gail Ward, Gwen Bryant, Samuel Casey, and Annette Powers.

As Sophomores we were well broken-in when it came to high school life. Our number decreased to sixty-nine. Our class officers were Susan Kessler, Louis Leimone, Louis Sawyer, Needham Hall, and Frank Futch.

Our Junior year brought us even closer to our goal—graduation. Our class officers were Kay Whisnant, Samuel Casey, Ruth Lewis, Bob Lewis, and Kent Carter. Although there were only fifty-five of us, we were well represented in the sports review. Eugene Jordan, Bert Yates, Joel Barden, Ardrey Murray, Needham Hall, Donald Wells, Samuel Casey, Bob Lewis, and Kent Carter were on the football team. Frank Futch, Bob Lewis, Louis Leimone, Joel Barden, Ardrey Murray, Susan Kessler, Sherria Herring, Kay Bowen, Faith Murray, Beveret Saunders, and Frances Wells participated in the basketball games. Our cheerleaders were Annette Powers, Pat Davis, Kay Bowen, Phoebe Lanier, and Ruth Lewis. Most of us worked hard to make the Junior-Senior a success. The theme was "A Southern Plantation."

Now as Seniors of '61 we are reaching our climax—graduation. The first excitement of our Senior year was receiving our class rings. Again we are looking forward to the Junior-Senior, but this time we'll let the Juniors do all the work. There are fifty-four of us now. Our class officers are Samuel Casey, Bob Lewis, Eugene Jordan, Louis Sawyer, and Susan Kessler. We have been well represented in sports in the past, and this year is no exception.

Now our thoughts are reaching out to grasp higher and better ideals. These four years have been unforgettable. We shall always remember our Alma Mater, and years from now we shall look back with "thanks" in our hearts. Now our present goal is to hear the familiar strains of "Pomp and Circumstance". This year it will be played for us — the Senior class of 1961

Burgaw's football season began with the kickoff of the game against Elizabeth. After that the Burgaw boys never quit fighting until the season was over. BUS DRIVERS

Many of us do not realize the responsibility that our bus drivers have. They bring us safely to school in the mornings and then see that we return safely home in the afternoons--often without our thanks for their service to us.

This year we have a new bus. Here Jerry Wooten, driver of the bus, shows off one feature of it to (left to right) Pearlie Watkins, James Graham Rivenbark, Wade Burton, Bevret Saunders, Joe Bryant Newkirk, Stoney McKoy, Dalton Wells; and Franklin Worrell and Edwin Pierce (kneeling).

MARSHALS

The Marshals are seen in action mostly at the Senior Play and at Graduation. Their duties include distributing programs and ushering.

The Marshals are chosen at the end of the Junior year, according to scholastic average from all previous years in high school. The one having the highest scholastic average becomes the Chief Marshal. The Chief Marshal this year is Bessie Wells.

The Marshals are: left to right: Bessie Wells, Chief; Stella Vdovich, Kaye Whisnant, Martha Murray, Susan Kessler, Annette Powers, Pat Davis, Joel Barden, Samuel Casey, and Louis Sawyer.

The Cafeteria Staff and the Janitors are an essential part of Burgaw High School. The Cafeteria Staff sees that we receive well-balanced and well-prepared meals each day. Clean halls and neat classrooms, a job handled efficiently by the Janitors, make life more pleasant for us.

A salute is appropriate for these hard workers, whom we could not do without.

CLASS PROPHECY

TIME: 1975

PLACE: Shakalotta, Hawaii,
U.S.A.

What a coincidence for two old classmates to meet on their vacation to the same destination, Hawaii, our fiftieth state. Having arrived there, we decided to look up some old acquaintances together.

Oddly enough, we found that a great majority of our classmates lived in a small coast town called Shakalotta, of which Samuel Casey is the mayor.

We decided to take a tour of the business and shopping district, going through such shops and businesses as the Lanier's Clothing Shop, operated by Selma Lanier, which specializes in the sale of the bikini bathing suit with Phoebe Lanier as the head model for the store; and the Chadwick and Watkin's soap factory (associated makers of a new soap called "Lanier"). This part of town appeared to be the Lanier section of town, with Hazel Lanier even patrolling the traffic. Other businesses were Whisnant, Wells, Wartners, and Brand . . poi makers; and Donald Wells and Frank Futch's Hardware and "side interests."

While touring Main Street, we ran across Ardrey Murray (Pineapple grower) who asked us about Louis Leimone and Wade Burton. We told him that they were still doing well in the chicken business, trying to originate a new formula for producing more eggs.

Unfortunately, while we were immersed in our conversation with Ardrey, we stepped into the path of Needham Hall's '75 Ford, which was doing 60 m.p.h. down Main Street. We asked Ardrey to call a doctor. The doctor's wife (the former Miss Ruth Lewis) answered the phone and advised us to see Bert Yates, the bone surgeon. Upon examination, Dr. Yates said that our injuries were only in the mind and advised us to see Patsy Meeks, psychiatrist, who prescribed an evening of relaxation.

So we went to see Shakalotta's famous hula dancers . . Sandra Pope, Jayne Corbett, Bonnie Haynie, and others . . we especially enjoyed Bonnie's version of the new hit "Shakalotta in Shakalotta," although Sandra appeared to be the best.

Watching the show were Mr. and Mrs. Kent Carter (the former Annette Powers) and Eugene Jordan. Of course, the action wouldn't be complete without Navy boys. Mentionable were Roger Flynn, Franklin Worrell, James Rivenbark, and Ensign Ruddell. Let's hope that Mrs. Ruddell (the former Glenda Sellers) doesn't hear about this. We almost forgot to mention how J. B. Croom could beat those bongos!

CLASS PROPHECY

After the Hula and the opera, where world famous soprano Pat Davis was singing, we noticed reporters Kay Bowen, Susan Kessler, Martha Murray, and Sherria Herring covering the action.

It was the following morning that we got wind of the coming election. Faith Murray, State Senator Barden's fiancée, told us that Senator Barden was running for governor on the Barden ticket, but that he had five distinguished opponents: Carroll Pearsall and Bob Lewis, both running on the Temperance ticket; Dan Wells, on the Associated Pineapple Growers ticket; Buck Bloodworth, running on the endorsement of the Association for the Advancement of Bloodworths; and Nick Vdovich, running on the ticket for the Advancement of the Democratic Mule. Incidentally, he has a bill going which will permanently shelter all mules and send all elephants back to Africa.

Being rather tired after making an all-round tour, we went to see one of Shakalotta's beaches, overgrown by beautiful palm trees.

There we found Bevret Saunders performing her daily exercise by running up and down the beach with a beach ball in her hand in preparation for her ski performance. She was always alert and active.

Ah, but the vacation is now over. We take one last look at Shakalotta and then board our plane, where we find stewardesses Cora Lee Meadows, Robbie Powell, Karen Wooten and Patsy Croom. The pilot, incidentally, is Bessie Wells; we always said she could do anything.

Other passengers were fashion designers Louise Sumner, Gwenn Bryant, Wilma Lanier, and Twylah Smith. We were indignant when they told us that our clothes, were out of style, as were Hawaiian vacations; so our little journey had a bitter end.

Signed: Stella Vdovich
Louis Sawyer
